### Pursuit to launch Golden Skybridge Experience in Golden BC June 2021

Pursuit is expanding its collection of incredible attractions by launching the Golden Skybridge in Golden, BC. Opening on June 4, 2021, this multi-season mountain experience featured two expansive suspension bridges – Canada’s highest suspension bridges – connected by forested trails at the edge of two of Canada’s iconic mountain ranges. These bridges sit at 130 and 80 metres high and offer up dramatic 360 degree views of the Rocky and Purcell Mountain ranges, while a crashing river and 200 ft waterfall thunders below.
