

TOURISM WHISTLER

[Whistler Blackcomb Summer Operations](#)

In line with the Covid-19 health recommendations of Vancouver Coastal Health, The Province of BC and Provincial Health Authorities, [Whistler Blackcomb](#) is now officially open for both Bike Park and summer sightseeing. The standard COVID-19 [Safety Protocols](#) used for the last year remain in place, including extra sanitization, social distancing and mandatory face coverings in all areas where guests are in close proximity or indoors.

Adventure Differently in Whistler Adventure has never been more important – for our minds, our bodies and our communities, but we invite you to discover a new pace. Let's inform and educate ourselves on how to adventure differently and responsibly when in Whistler: www.whistler.com/adventure-differently

[NEW for Summer 2021:](#)

[Fairmont Chateau Whistlers Summer Pop-Up Restaurant](#)

The [Woodlands Rooftop](#) offers a 3-course, family-style summer BBQ on a beautiful rooftop terrace. This relaxed and welcoming, pop-up features refreshing drinks, a delicious locally-inspired menu prepared by Executive Chef, Isabel Chung, and a picture-perfect mountain backdrop. The patio is covered and heated, which makes it a rain or shine venue to enjoy!
