## NIGHTRISE AT BANFF GONDOLA

Beginning December 2nd until March 12, 2022, guests can experience a fully immersive and multi-sensory experience at the Banff Gondola. Nightrise lets guests deepen their knowledge of Banff's Indigenous roots through lights, sound, special effects, and video projection that will transform the venue.

## First travel testing site opened in Banff on October 1, 2021

To support international visitors and locals exiting Canada, Banff's first private COVID testing site - Go Rapid Test - opened on October 1, 2021. [Go Rapid Test](#) is open seven-days a week for both Rapid Antigen and Molecular PCR tests. No appointments are necessary and test results are available in as little as 15 minutes.
