The Spirit of Winter - Fairmont Chateau Lake Louise

Find your Spirit of Winter. Step inside a real-life snowglobe in Lake Louise. Experience snowshoeing, skiing, ice skating and more winter activities.

In the heart of Banff National Park there lies a frozen world of mystery and wonder; a winter wonderland that is the perfect blend of old world elegance and profound natural beauty. The brave, the bold and the curious are drawn to our real life snow globe where the spirit of winter is alive.

For the insider track of our famous backyard, join one of our mountain guides on a winter adventure. Join them for an interactive cross-country ski or snowshoe tour to learn about the magnificent wildlife and how it survives the harsh conditions of the season or about the history of the Lake Louise area.

Surrounded by mountain peaks and pine trees covered in a blanket of snow. Skate on the lake that is on every hockey player's bucket list. With a world-class view of Victoria Glacier, discover why some claim Lake Louise is the World's Best Skating Rink.

Stop by our Ice Bar with your family and friends and sip a liqueur laced hot chocolate or ice wine while admiring our winter wonderland. This is one of the coolest bars in the Canadian Rockies, where the longer you sip your cocktail, the cooler it gets.

Visit the Fairmont Spa, our tranquil oasis and allow our team to take you on a journey of blissful indulgence. Plan your visit after a day of mountain adventure and emerge feeling refreshed and ready to embrace whole body wellness.
